

# HOW TO PAINT-IN

## DIVE IN AT DALLAS

Moss Street will be painted with over 160 artists set up on the boulevard, so we suggest starting at Dallas Road and making your way up to the Art Gallery of Greater Victoria (1040 Moss St) to soak in all of the amazing talent the island has to offer. See our [ARTIST MAP](#) to plan your visit!

Chat with local artists, view artist demonstrations, or purchase local artwork to take home!

## VISIT AN IMAGINATION STATION AND PET STATION

There are 6 Imagination Stations to visit along Moss Street! Pop by for some hands-on activities for all ages. There are so many ways to get creative and use your imagination! Need more festival information? Information Booths are your one-stop-shop for all things Paint-In. Stop by to see the artist map, learn how to donate, ask questions to our purple-shirted volunteers, and take a visitor survey!

The Paint-In is 100% pet-friendly and filled with pet-lovers! Treat your fluffy friends to a drink, snack, and even a dip at one of our two pet stations.

## COOL OFF IN THE FAMILY FRIENDLY BEER GARDEN

Need to quench your thirst? Sit back and relax with a variety of refreshing beers from Lighthouse Brewing or a delicious range of ciders from Sea Cider. The Beer Garden is open until 6 PM in the Art Gallery of Greater Victoria parking lot.

## JOIN US IN BEING GREEN

In our efforts to become a GREEN event, we are working with The Diverters for the 34th Annual Paint-In!

The Diverters are “dedicated to creating economic opportunities, de-stigmatizing diverting (bottle collection, waste picking, or binning), diverting waste, and promoting social cohesion among members of the diverter community”. They will be located at 1040 Moss Street and can help you with any waste and recycling during the festival.

## DONATE TO THE GALLERY

Did you know that the TD Art Gallery Paint-In is the AGGV's largest fundraising event? Gallery programming would not be possible without the generous support of the community. Bring some cash to drop in our bright yellow donation bins!

Short on cash? No worries! There will be “Tap to Donate” stations placed along Moss Street.

We can't thank you enough!

## STAY SAFE AND HEALTHY - AND HAVE FUN!

Make sure to drink lots of water and bring your own water bottles! You can refill your bottles at the CRD Water Station located at 1040 Moss.

Portable washrooms are located at Dallas, Fairfield, and 1040 Moss. You can also use the gender-neutral restrooms at the Gallery as well as the Moss Street Market restrooms.

Be prepared for the sun and heat! Bring hats, sunscreen, and anything else you might need to keep you cool.

If you brought your bike, the Capital Bike Locker is located at Central Middle School and along Richmond Street.

Need any assistance during the festival? Our purple-shirted volunteers are there to help! You can find them at our yellow donation bins or Information Booths. You can also speak with Victoria Police who will be located at all major intersections. The missing child meeting station and assistance centre is at the Art Gallery of Greater Victoria Front Desk.

We are so excited for you to join us at the Paint-In - see you soon!
